COACHING & DEVELOPMENT FOR CHANGE

From Manager to Coach Programs

Making Coaching a Habit

Designed for Managers who want to make coaching an everyday habit & get results

solutionsurfers®

Krysta Tzelepi,
International Faculty Member

THE PROGRAM

A 6-month hands-on program that turns managers into coaching managers.

A program combining research-based tools, solution focused methodology & a lot of practice.

DESIGNED BY

Experts in the field of management development with 14 years of experience in developing tailor-made coaching programs, pioneers in bringing coaching to the greek market.

BENEFITS & RESULTS

- > Managers learn how to coach and make it a habit
- > Managers learn a practical, easy to use coaching methodology
- > Managers free up 10-30% of their time
- > Managers get ready-to-use tools to apply directly to their role
- > Managers work on own action plans and gain results & Return on Investment

We have been trusted by companies such as: Alpha Bank, Bank of Cyprus, BIC, Eurobank FPS, Lafarge, Leroy Merlin, Mondelez, Papastratos-PMI and many others, to design and implement such programs.
